

Arrival Letter

Welcome

Thanks for registering for our trailride camp! Below is some important information to help make your week at camp a great adventure.

Drop-off: 2:00 PM

Early Arrival! Please note that we are unable to supervise campers that arrive early.

Please prepay all fees prior to arrival. Just a reminder that everything is included in the registration fees (tuck, t-shirts, and riding boot fee if needed).

Pick-Up: Noon

Late for Pick-up! If you are unable to pick up your child at the Pick-up time and will be more than 1 hour late, please call 250-784-8960 and let us know so we can inform your child and make arrangements for supervision.

Pick-up Policy! Since BWWA is a smaller and more remote camp with older campers, we believe that most parents will not have concerns about picking up their children. However, we are also sensitive to those families with custody concerns. If you have a concern of this nature please let the registrar know when you drop off your child and we will make arrangements to ensure that appropriate pick-up procedures are in place.

Important Details

Coming to Camp: Camp accepts responsibility of camper safety following registration. Please be aware that other children accompanying you are in your care (during drop off, pick up or visits). Risks include the river and horse areas, hidden wasp nests, and possibly other visitors.

Health Information: Please assure that our information about your child's recent illnesses, medications and allergies is up-to-date.

All medications must be in original containers or blister packs and given to their teepee leader.

Lost Items: are not the responsibility of the camp and will be disposed of at the end of the camp season. Please check that you have all your child's belongings before leaving.

Just a reminder: BWWA is located in a rustic setting with no modern conveniences. Clothing and bedding that will keep your child warm and dry are essential.

To Bring Check List

General Information

- Please label clothing and gear so that it can be returned if lost or misplaced.
- Items listed below do not need to be new. We encourage you to borrow items or look at the thrift store for what you may need.
- Any type of harmful substances are not allowed
- Please don't bring any cell phones, tablets, or other electronic devices. Access to a phone will be available if required.

What to Bring

Due to the wilderness setting of our camp, protective clothing is essential to prevent injuries and discomfort.

___ **Clothing:** enough clothes for 7 to 10 days that you are willing to get dirty (including jeans for riding, t-shirts, long-sleeved shirts, sweaters, warm under layers, socks, underwear)

___ **Jeans for Riding:** Please be aware that we are a wilderness trail riding camp. Our trail rides traverse many miles through forest and creek, and jeans help protect legs from getting rubbed or scratched

___ **Heavy Sweater or Lined Jacket:** For chilly nights after the sun has gone down.

___ **Durable and Waterproof Rain Gear:** This is essential as this is a wilderness camp and days are spent outside rain or shine. Rainy days are cold, so please be sure to bring adequate rain gear and warm under layers.

___ **Swimwear/Beach Towel:** suitable for a muddy creek

___ **Outdoor Shoes/Hikers, Rubber Boots, Riding/Cowboy Boots** (smooth sole with a ½" to 3" heel) If you do not have cowboy boots, please let us know. We have some available at camp.

___ **Cowboy Hat or Baseball Cap:** Hats are an important part of camp gear. On hot days, hats help prevent heat exhaustion. On rainy days, hats help keep campers dry.

___ **Flashlight or Headlamp**

___ **Warm Sleeping Bag, Pillow and Blanket:** Nights can be cool, so please ensure you come with warm sleeping gear. Cot or air mattress for sleeping on dirt floor is optional but will be more comfortable.

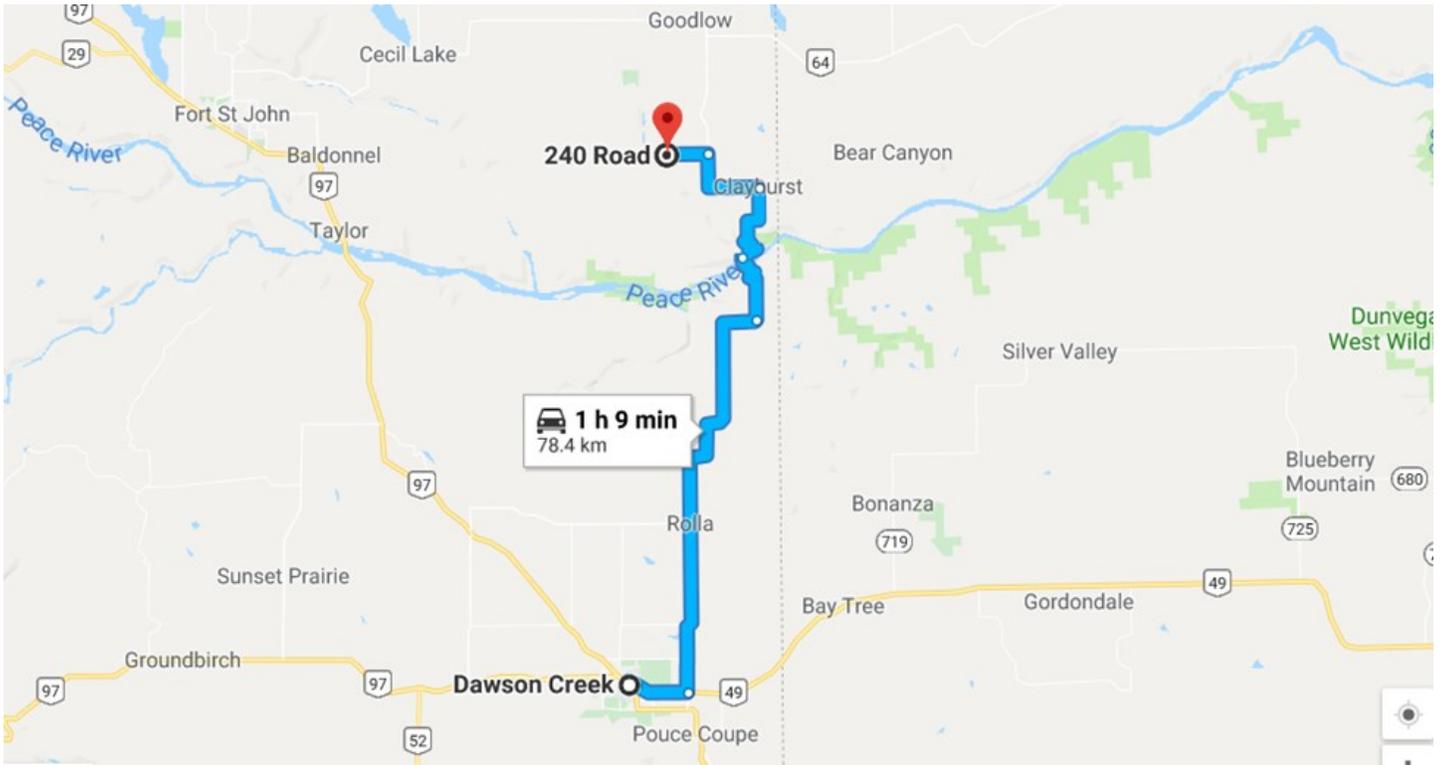

___ **Mosquito Repellent and Sunscreen.**

___ **Personal Toiletries:** Toothbrush, toothpaste, hairbrush, towel, shampoo, soap, etc.

___ **Bible:** (optional)
